The Committee discussed the following:

Review of Family Day 2024:

- Overall, the event went very well. Excellent turnout for the day.
- Possible time change for the event next year.
- Maria suggested cooking hotdogs ahead of the event and buying drinks by the flat to help save some money. Would need volunteers to cook and distribute. Use of the upstairs kitchen would be needed.
- Suggested to not have a craft with glitter as it was hard for Jamie to get it off the arena floor.

Spring Fever Days 2024:

- Recreation will not plan anything for Spring Fever Days due to lack of room on the ice surface and concerns for supervision of children if sharing the ice surface with Nestor Falls Marine.

Soccer & Baseball:

- Soccer and Baseball registration will be held at Spring Fever Days at the Arena on Saturday April 20th.
- Registration forms will be available online for parents to fill out ahead of the registration day. This should help with lineups.
- Potential start date for Baseball will be May 6th and Soccer May 7th. Weather permitting.
- Cleanup & setup day will be decided closer in.
- Jamie to check about replacing the smaller nets.

Community Garage Sale:

- Saturday, May 11, is when Meadowlands is planning the subdivision garage sale.
- Maria offered to keep track of the addresses for people who want to sign-up.
- Posters will be required for advertising it is going to be done and after the sign-up list is completed.

General:

- Discussion about Ultimate Frisbee/Golf. Could this be promoted through recreation?
- Ultimate Frisbee Golf would require setup on the sports field.
- Currently Ultimate Frisbee is run separately during the summer outside of Recreation.

Next meeting will be May 27, 2024, at 6:00 p.m.

Meeting adjourned at 6:54 p.m.
